Background Checks

I hereby attest that a background check, performed using reasonable and prudent business practices, has been lawfully completed, and that the Contract Worker/s referenced above are suitable as Contract Workers under the Contractor Background Adjudication Check Matrix provided by CPS Energy, and that in Vendor's independent business judgment, the information obtained from the background check did not establish that the Contract Worker exhibited past behavior that made him/her unsuited to perform the jobs and duties as a Contract Worker.

I further attest that the background screening, hiring and placement of all Contract Workers is done solely by Vendor and not CPS Energy. No results were provided to CPS Energy. CPS Energy is relying upon the reasonable business judgment of Vendor to provide qualified and appropriately suited Contract Workers to provide services for CPS Energy.
