1 6/12/18 - VACANT PROPERTY REVIEW COMMITTEE

2 CHAIRWOMAN JARMON: Good morning. My
3 name is Susie Jarmon. We're going to get started.
4 Are there any attorneys in the room?

5 Can you state your name for the record?

6 MR. SLAVIN: Good morning. Rich
7 Slavin, S-l-a-v-i-n.

8 MS. JARMON: And you're here for which
9 address?

10 MR. SLAVIN: Esperanza -- 3222-58 H
11 Street. That's page three of the agenda.

12 CHAIRWOMAN JARMON: And Esperanza is
13 here requesting a certificate and I think a
14 subordination agreement. I brought in attachments
15 this morning. They received -- it looks like
16 they're going to receive funding from PIDC.

17 MR. SLAVIN: Yes. So we were here in
18 May. We received your approval to transfer to a
19 wholly owned subsidiary for purposes of financing
20 and a six month extension. This hearing we have
21 given our term sheets for new markets tax credit
22 financing with PNC bank, PIDC and Community Health
23 Center Capital Fund who together funded an
24 18-and-a-half million dollar community health
25 center on this project. There are rights in favor

1 of the City related to an indention from 2017, as
2 well as a purchase money mortgage. We provided a
3 form of subordination of the committee for your
4 review that has been approved by our lenders ahead
5 of our closing in August.

6 CHAIRWOMAN JARMON: So it looks like
7 we're going to need a satisfaction of the mortgage
8 because the mortgage is \$110,000 and it was a
9 self-amortizing mortgage. They have tax credits.

10 MR. KOONCE: Over how many years?

11 CHAIRWOMAN JARMON: It was the 10
12 years.

13 MR. SLAVIN: Our request was not for
14 satisfaction of the mortgage, just subordination to
15 the new mortgages.

16 CHAIRWOMAN JARMON: I know. But we
17 would have to also satisfy that mortgage on that
18 title, correct?

19 MR. KOONCE: No. We could just
20 subordinate it.

21 CHAIRWOMAN JARMON: So that's going to
22 get rid of the mortgage.

23 MR. KOONCE: No, it won't get rid of
24 the mortgage.

25 CHAIRWOMAN JARMON: So they're going to

Vacant Property Review Committee
June 12, 2018

Page 4

1 leave the mortgage on there and just subordinate
2 the conditions and the title. And if you don't
3 fulfill whatever it is then the bank or the lender
4 would have first dibs in taking the property back.

5 MR. SLAVIN: That's right. And the
6 subordination agreement if the City for whatever
7 reason felt that my client had defaulted, they
8 would have to let the lenders know as well so that
9 the lenders have the opportunity to cure that as
10 well.

11 CHAIRWOMAN JARMON: Can I get a
12 recommendation?

13 MR. RODRIGUEZ: So moved.

14 MS. CUNNINGHAM: Second.

15 CHAIRWOMAN JARMON: All in favor?

16 (Ayes.)

17 CHAIRWOMAN JARMON: Any opposed?

18 (No response.)

19 CHAIRWOMAN JARMON: Thank you.

20 MR. SLAVIN: Thank you.

21 CHAIRWOMAN JARMON: Lawyer? Attorney?

22 MR. MCILHINNEY: Good morning. Michael
23 McIlhinney. I'm here for the property at 2127
24 North Front Street. I believe we forwarded
25 photographs of the vacant lot.

Vacant Property Review Committee

Page 5

1 CHAIRWOMAN JARMON: 2127 North Front is
2 on page six. This property was transferred out in
3 1999. Are there any questions from the Committee?

4 (No response.)

5 CHAIRWOMAN JARMON: Recommendation?
6 Are you looking for something?

7 MS. CUNNINGHAM: Trying to get to the
8 attachment.

9 MR. RODRIGUEZ: This was conveyed for
10 what purpose?

11 MR. MCILHINNEY: They have been using
12 this as a side yard to their building next door and
13 it's been maintained since 1999 by the
14 organization. I have one of the neighbors here
15 that actually contributed time and effort to
16 maintain the lot. The organization is looking to
17 transfer to one of my clients. The organization is
18 looking to move north into the Juniata section to
19 better serve their needs in a smaller space, in a
20 more affordable area tax base wise and whatnot.

21 MS. CUNNINGHAM: So there are
22 outstanding property taxes?

23 MR. MCILHINNEY: On the vacant lot?

24 MS. CUNNINGHAM: Yes.

25 MR. MCILHINNEY: That I'm not sure of.

1 (Pause.)

2 MR. MCILHINNEY: So 2013 there still
3 are outstanding taxes that would be satisfied at
4 closing. The reason the taxes got behind is the
5 organization had also membership and -- she's the
6 president of the organization. Some health issues
7 that she is finally bouncing back from.

8 MS. CUNNINGHAM: So is there a sale
9 pending now?

10 MR. MCILHINNEY: There is a sale
11 pending that's contingent upon the certificate of
12 completion for the reverter language to be removed.

13 MS. CUNNINGHAM: So the certificate of
14 completion will have a contingency that the taxes
15 be paid before you can --

16 MR. MCILHINNEY: That's perfect. Yeah,
17 that's acceptable. The title company required
18 that.

19 MR. RODRIGUEZ: What are you selling
20 the property for?

21 MR. MCILHINNEY: The property was
22 75,000.

23 MR. RODRIGUEZ: That's what you're
24 selling it for?

25 MR. MCILHINNEY: I can pass around the

Vacant Property Review Committee
June 12, 2018

Page 7

1 agreement of sale if you would like to see it. It
2 should be around \$2900.

3 MS. CUNNINGHAM: It was about \$3,000.

4 MR. MCILHINNEY: 2010, '11, '12 were
5 also delinquent, but they have been paid in the
6 past year.

7 MS. CUNNINGHAM: There's just penalties
8 and interest that accrued on the balance.

9 CHAIRWOMAN JARMON: Any further
10 questions?

11 MR. RODRIGUEZ: When was this conveyed?

12 CHAIRWOMAN JARMON: '99.

13 MR. KOONCE: And there are penalties
14 and interest still on the balance?

15 MS. CUNNINGHAM: Yeah.

16 MR. KOONCE: Are there any L&I
17 violations?

18 MS. MEDLEY: No.

19 CHAIRWOMAN JARMON: Can I get a
20 recommendations?

21 MR. RODRIGUEZ: Move we approve
22 predicated on the fact that passthrough taxes and
23 the liens will be satisfied at closing.

24 MR. DODDS: Second.

25 CHAIRWOMAN JARMON: All in favor?

Vacant Property Review Committee
June 12, 2018

Page 8

1 (Ayes.)

2 CHAIRWOMAN JARMON: Any opposed?

3 (No response.)

4 CHAIRWOMAN JARMON: Thank you.

5 Good morning. State your name for the
6 record.

7 MR. LEON: My name is Miguel Leon. I'm
8 an attorney. I'm also a board member of the
9 Beautiful Morning Star Foundation. The foundation
10 acquired this property from the City back in 2004.

11 CHAIRWOMAN JARMON: One second. This
12 is for 1229 and 1231 North Lawrence Street which is
13 on page seven. Go ahead.

14 MR. LEON: And the plan was to develop
15 the property and adjacent property that we
16 acquired. The adjacent property had been developed
17 into a parking lot on the 1200 block of Lawrence
18 Street which is around Lawrence and Girard Avenue.
19 We have about six plots that have not been
20 developed and will not be required for our project
21 and these two lots we're going to convey or donate
22 rather to this Mr. Bahios(ph.) who is here present.
23 The property owes about \$2,200 taxes that will be
24 paid at settlement by Mr. Bahios. And he intends
25 to develop the property for his personal residence.

Vacant Property Review Committee
June 12, 2018

Page 9

1 And basically we're asking the Board to approve the
2 removal of a restriction that exists on the deed.

3 MR. RODRIGUEZ: Excuse me. You're
4 saying this is a donation, not a sale?

5 MR. LEON: This is a donation, a one
6 dollar --

7 MR. RODRIGUEZ: How do we know he has
8 the resources to pay the back taxes or satisfy --

9 CHAIRWOMAN JARMON: We're not going to
10 give him the release until that is paid.

11 MR. RODRIGUEZ: Okay.

12 MS. CUNNINGHAM: Is this a private sale
13 and private settlement or are you using a title
14 agency?

15 MR. LEON: No, we're using a title
16 agency.

17 CHAIRWOMAN JARMON: Okay.

18 MR. LEON: The title report has been
19 ordered and we're ready to proceed to settlement
20 pending receipt of the release.

21 MR. KOONCE: Who are you conveying the
22 property to? Who are you conveying the property
23 to?

24 MR. LEON: To Mr. Bahios. This
25 gentleman here. He's a private citizen.

Vacant Property Review Committee
June 12, 2018

Page 10

1 MR. KOONCE: So you acquired the
2 property?

3 MR. LEON: In 2004.

4 MR. KOONCE: In 2004. And you were
5 supposed to -- it was supposed to be part of your
6 project?

7 MR. LEON: It was going to be part of a
8 project. We were going to build a hall to be used
9 -- adjacent to the activities -- adjacent -- the
10 priests who operate is Redemptive Fathers have
11 acquired a building on Lawrence Street that they
12 developed into a parish hall. They purchased the
13 property that we own and developed that into a
14 parking lot. Parking at that area is at a premium.
15 However, there were some surrounding lots that we
16 still own that we're not going to develop and what
17 we're going to do is donate the properties to
18 individuals who have worked with the parish, who
19 have worked with our parish free of charge to
20 basically help us accomplish our goals. So we're
21 not going to make any money, but this gentleman has
22 put a lot of sweat, a lot of equity into the
23 projects that we had completed. The board met and
24 decided that we have six parcels. We're going to
25 keep one and the others basically we're going to

1 donate.

2 CHAIRWOMAN JARMON: And the original
3 proposal was to use these two lots for parking for
4 the community center. That's what the proposal was
5 back in 2004.

6 MR. LEON: And we do have a large
7 parking lot there that's completed. And the
8 Redemptive Fathers when they bought that property,
9 they decided that these lots that were actually
10 across the street from the parking lot they were
11 not going to use.

12 CHAIRWOMAN JARMON: Any further
13 questions? Recommendation?

14 MR. KOONCE: I'd like to table it.

15 MR. RODRIGUEZ: Second.

16 CHAIRWOMAN JARMON: Okay.

17 MR. KOONCE: We need more information.
18 I mean they were acquired for a charitable purpose
19 and now you are going to give -- you're going to --
20 that purpose wasn't achieved and you're now going
21 to convey them for a private use.

22 MR. LEON: Excuse me? I didn't hear
23 you because the door was open. What was the last
24 part? We're not going to donate it for a private
25 use. He's going to use it for a residential

1 property.

2 MR. KOONCE: That's a private use.

3 MS. CUNNINGHAM: I understand that
4 you're giving it to him for a dollar and you're
5 calling it donated, but that's not really donating
6 when you give it to an individual. It's just a
7 nominal transfer. It's not a donation. It's not a
8 charity.

9 MR. LEON: Well, we see it as --

10 MS. CUNNINGHAM: And I totally
11 understand that. But I mean, you know, we still
12 have to make sure that he is going -- that he has
13 the capacity to develop the property and the
14 financial capacity to pay the taxes and the
15 transfer taxes and to develop it.

16 MR. LEON: He can address that if I may
17 ask him to step --

18 MR. KOONCE: I don't think it can be
19 addressed in just a conversation.

20 MR. LEON: Yes.

21 MR. KOONCE: I mean we'd like to --
22 there needs to be something put in writing as to
23 who the individual is, what they're going to do to
24 the property, how they're going forward or will we
25 be back here in four more years for another

1 transfer because that person didn't do what they
2 were supposed to do.

3 MR. LEON: Okay. I understand.

4 CHAIRWOMAN JARMON: Basically we want
5 to see what his financial capability is to do the
6 development.

7 MR. KOONCE: Right. And I think we all
8 need a little more time to think about the idea of
9 conveying a property for a private use.

10 MR. RODRIGUEZ: I think the issues that
11 the City has conveyed for a charitable cause for a
12 benefit, that's community benefit to support your
13 foundation as a nonprofit and it benefits the
14 community in a lot of different ways. So for us to
15 provide a long-term asset like land in that
16 consideration but now you did not fulfill the
17 agreement, you're not utilizing the land, city land
18 as part of the agreement if you didn't fulfill it,
19 now you're saying you're going provide it to him
20 and he's going to develop on it. That was not the
21 original purpose of conveying to a charitable
22 organization. So at this point you have to think
23 of him as a developer and he's a third party to the
24 agreement. We need to make sure that it's a
25 totally different arrangement that you're trying to

1 purport to this -- or explain to this Committee.

2 MR. LEON: Okay. I understand. In
3 that case I would ask that I be permitted to come
4 back --

5 CHAIRWOMAN JARMON: We're going to
6 table.

7 MR. LEON: -- within a reasonable time
8 to present the documentation.

9 MR. KOONCE: Could you present the
10 documentation before you come back so that we'll
11 have a chance to review it?

12 MR. LEON: Yes. Definitely.

13 CHAIRWOMAN JARMON: Okay. So the
14 recommendation is --

15 MR. RODRIGUEZ: To table.

16 CHAIRWOMAN JARMON: We're going to
17 table this item.

18 MR. RODRIGUEZ: And the applicant will
19 -- the foundation will provide us with the
20 predevelopment documentation as to what the purpose
21 is, you know, what you plan on developing. We
22 would really like to see some financing that's in
23 place before we allow this to go --

24 MR. PADILLA: I think we would also
25 like to see a timetable. We would like to avoid

Vacant Property Review Committee
June 12, 2018

Page 15

1 any property be vacant in another four years and
2 nothing happens to it.

3 MR. LEON: Okay. Thank you again.

4 CHAIRWOMAN JARMON: Okay. This item
5 has been tabled.

6 Are there any other attorneys in the
7 room?

8 Going to get started with the agenda.

9 The first item is 721 West Cumberland Street.

10 Elias Matos. This item will be tabled.

11 The next item, 3252 Germantown Avenue.

12 3252 Germantown Avenue. This is for Germantown
13 Liberty Acquisitions.

14 MR. KOONCE: I'll speak to that.

15 They're part of a Lenfest organization. They have
16 acquired the remainder of the block. One tax lien
17 property that Land Bank is acquiring hopefully at
18 tax sale. The properties have been a source of
19 drug use for years. They're within a block of a
20 middle school. And the Lenfest organization plans
21 to -- if they can complete acquisition their deal
22 is to turn it into a community space that would
23 also be used by the church. Not as grand, but
24 similar to their Hunting Park development.

25 CHAIRWOMAN JARMON: Any questions?

Vacant Property Review Committee
June 12, 2018

Page 16

1 (No response.)

2 CHAIRWOMAN JARMON: Recommendation?

3 MR. RODRIGUEZ: So moved.

4 MR. KOONCE: Second.

5 CHAIRWOMAN JARMON: The next item, I
6 have two side yards, however --

7 MS. CUNNINGHAM: We didn't vote.

8 CHAIRWOMAN JARMON: Okay.

9 MR. RODRIGUEZ: Those in favor?

10 (Ayes.)

11 CHAIRWOMAN JARMON: Any opposed?

12 (No response.)

13 CHAIRWOMAN JARMON: Thank you. The
14 next two items are side yards. I think my staff
15 left the adjacent owner's address out. They own
16 the adjacent property to Arizona. I don't know off
17 the top of my head, but 2947 is the address and
18 their address is 2945 West Arizona.

19 Can I get a recommendation?

20 MR. RODRIGUEZ: So moved.

21 MR. KOONCE: Second.

22 CHAIRWOMAN JARMON: All in favor?

23 (Ayes.)

24 CHAIRWOMAN JARMON: Any opposed?

25 (No response.)

Vacant Property Review Committee
June 12, 2018

Page 17

1 CHAIRWOMAN JARMON: Thank you. The
2 next are urban garden agreements that I can accept,
3 unless there are any questions.

4 MS. CUNNINGHAM: I just had a question.
5 2543 North Carlisle --

6 CHAIRWOMAN JARMON: Yeah, I put it in
7 both sections because they wanted to have
8 permission to clean it while they're waiting for us
9 to process them for the title.

10 MS. CUNNINGHAM: Okay.

11 CHAIRWOMAN JARMON: Any further
12 questions?

13 Next items are properties for community
14 ventures. Steve Kaufman.

15 MR. KOONCE: I don't think they're here
16 either. But, again, this is a project that has
17 been awarded tax credits by Philadelphia --
18 Pennsylvania Housing Finance Agency. They also
19 have an award, a funding award from PHA I believe
20 in the amount of 225 million dollars. They're
21 preparing to close this all. The reason for the
22 early transfer is they do have a gap in the budget
23 which they are -- have budget to fill by selling an
24 asset. But in the interim they would like to be
25 able to put a credible application into the Federal

Vacant Property Review Committee
June 12, 2018

Page 18

1 Home Loan Bank in Pittsburgh, Federal Home Loan
2 Banks. And one of the things that the Home Loan
3 Banks absolutely require is proof of site control.
4 But any money that they got from either Federal
5 Home Loan Bank Pittsburgh or other grants that they
6 applied for, once the gap is filled with the return
7 would lessen the City's dollar amount. That's the
8 reason for the early transfer.

9 CHAIRWOMAN JARMON: And I received an
10 e-mail from them. So we're going to shorten this
11 list. They're only requesting the approval for
12 site control for 1601 Diamond Street, 2143 North
13 15th Street, 2151 North 15th Street, 2116 North
14 16th, and 2124 North 16th Street at this time.

15 MR PADILLA: That's only five lots.

16 CHAIRWOMAN JARMON: Yes.

17 MR. RODRIGUEZ: Madam Chair, upon
18 consideration of this I would also like to ask that
19 we consider it with the Land Bank section which
20 covers 2145 North 15th, 2147 North 15th, and 2149
21 North 15th. It's part of the same development.

22 CHAIRWOMAN JARMON: Okay. So these --
23 are they already on the agenda?

24 MR. RODRIGUEZ: Yes.

25 CHAIRWOMAN JARMON: Okay.

Vacant Property Review Committee
June 12, 2018

Page 19

1 MS. HARRIS: There's a violation on
2 2124 North 16th.

3 CHAIRWOMAN JARMON: It's owned by the
4 City.

5 Any further questions?

6 (No response.)

7 MS. PLACKET: I'd like to recuse
8 myself.

9 MR. O'DWYER: I have a motion. I move
10 that we dispose of the properties at nominal value
11 that are listed at section four and in the Land
12 Bank section 6A.

13 MR. RODRIGUEZ: I'm abstaining from
14 this vote.

15 MR PADILLA: Second.

16 CHAIRWOMAN JARMON: All in favor?

17 (Ayes.)

18 CHAIRWOMAN JARMON: Any opposed?

19 (No response.)

20 CHAIRWOMAN JARMON: Thank you. The
21 next item is an extension of time. I've brought
22 this back for a couple years now because they have
23 a court litigation going on with the property
24 adjacent that they own and they're just asking for
25 the additional time. They're waiting for this

1 court case to settle.

2 MR. RODRIGUEZ: This has been going on
3 since February 13th.

4 CHAIRWOMAN JARMON: It's been going on
5 a while, yeah.

6 Can I get a recommendation for the
7 additional six months?

8 MR. RODRIGUEZ: What's the likelihood
9 of them resolving the court case?

10 CHAIRWOMAN JARMON: They don't know.
11 It's in court, so until they find out when that
12 comes to court then they'll know.

13 MR. RODRIGUEZ: I would recommend that
14 we grant the extension of time provided that we get
15 some idea of how long this court case will go on.

16 CHAIRWOMAN JARMON: Well, I tried to
17 get an idea. They couldn't give me an idea because
18 they don't have a court date yet.

19 MR. O'DWYER: What is the substance of
20 the dispute?

21 CHAIRWOMAN JARMON: It has something to
22 do with another property that they own which has --
23 I think it's the 2145 Federal. So in order for
24 them to be able to proceed with this development
25 which is included because they're the owners of the

Vacant Property Review Committee
June 12, 2018

Page 21

1 property it's nothing that they can do with these
2 because then that is going to affect their
3 properties. So that's what the holdup is.

4 Can I get a recommendation?

5 MS. CUNNINGHAM: Do we even know the
6 court caption, the case number?

7 CHAIRWOMAN JARMON: It's in Jersey.

8 MS. CUNNINGHAM: It's in New Jersey.

9 CHAIRWOMAN JARMON: Yes.

10 MR. KOONCE: This is the one that if
11 I'm reading the staff recommendation it says is the
12 property -- it indicates that the property was
13 conveyed to the Land Bank.

14 CHAIRWOMAN JARMON: No.

15 MS. CUNNINGHAM: This doesn't have an
16 attachment.

17 CHAIRWOMAN JARMON: We're on page
18 three.

19 MR. KOONCE: I'm looking at 1108 -- oh,
20 never mind.

21 CHAIRWOMAN JARMON: Okay.

22 MR. RODRIGUEZ: This is number five.

23 MR. KOONCE: Okay. So the motion is --

24 CHAIRWOMAN JARMON: Recommendation?

25 MR. O'DWYER: Move to grant the six

Vacant Property Review Committee

1 month extension.

2 MR. KOONCE: Second.

3 CHAIRWOMAN JARMON: All in favor?

4 (Ayes.)

5 CHAIRWOMAN JARMON: Any opposed?

6 (No response.)

7 CHAIRWOMAN JARMON: The next items are
8 properties we already spoke of. The 2145 North
9 15th, 2147 and 2149 North 15th Street to be
10 transferred from Land Bank to Community Ventures.

11 The next item is the 1106 North Street.

12 Can I get a recommendation?

13 MR. RODRIGUEZ: I abstain.

14 CHAIRWOMAN JARMON: Recommendation?

15 MR. O'DWYER: This is for transfer for
16 a side yard?

17 MR. RODRIGUEZ: Correct.

18 MS. CUNNINGHAM: This is the one where
19 they moved the alley to the end of the street.

20 MR. RODRIGUEZ: Yes.

21 MS. CUNNINGHAM: And fenced hers at the
22 time like years and years ago. So I move we
23 transfer -- convey the property as a side yard.

24 MR. O'DWYER: Second.

25 CHAIRWOMAN JARMON: All in favor?

Vacant Property Review Committee

Page 23

1 (Ayes.)

2 CHAIRWOMAN JARMON: Any opposed?

3 (No response.)

4 CHAIRWOMAN JARMON: Next item is 1434

5 South Ringgold Street. This was a property that

6 was transferred as a side yard.

7 MR. GOODE: Good morning.

8 CHAIRWOMAN JARMON: Good morning. Can
9 you state your name for the record.

10 MR. GOODE: My name is John Goode.

11 CHAIRWOMAN JARMON: And are you --

12 MR. GOODE: I'm here representing V2
13 Properties.

14 CHAIRWOMAN JARMON: Oh, V2 Properties.

15 MR. GOODE: Yes.

16 CHAIRWOMAN JARMON: They are in the
17 process of purchasing --

18 MR. GOODE: That's correct.

19 CHAIRWOMAN JARMON: This is 1434
20 Ringgold?

21 MR. GOODE: South Ringgold.

22 MS. CUNNINGHAM: This attachment says
23 they have no plan of selling.

24 MR. GOODE: It changed.

25 MS. CUNNINGHAM: Do we have an

Vacant Property Review Committee
June 12, 2018

Page 24

1 agreement of sale?

2 MR. GOODE: I don't have one. Actually
3 the sale was actually completed about a week and a
4 half ago.

5 CHAIRWOMAN JARMON: You already --

6 MR. GOODE: Purchased the property.

7 MR. RODRIGUEZ: With the restrictions?

8 MR. GOODE: Yes.

9 CHAIRWOMAN JARMON: This was
10 transferred as a side yard back in 2003.

11 MR. O'DWYER: From the picture we can't
12 really tell whether it's cleaned out.

13 CHAIRWOMAN JARMON: Yeah, it was
14 cleaned. I have -- our color copier wasn't
15 working.

16 MR. O'DWYER: I see. Okay.

17 CHAIRWOMAN JARMON: Yeah.

18 MR. RODRIGUEZ: What are your plans for
19 this property?

20 MR. GOODE: Build a residential home.

21 MR. RODRIGUEZ: So you acquired the
22 property from the current owner with the
23 restrictions in place?

24 MR. GOODE: That's correct. What
25 happens the prior home wasn't selling at first when

Vacant Property Review Committee

Page 25

1 we first contacted him prior and then he needed to
2 get out of it as quick as possible, some finance
3 reason. So we acquired any restrictions --

4 MR. KOONCE: When did you acquire it?

5 MR. GOODE: I don't have the exact date
6 in front of me. About a week ago, week and a half
7 ago.

8 MR. KOONCE: Do you have --

9 MR. RODRIGUEZ: This June, right? This
10 month?

11 MS. JOHNSON: It looks like the
12 original purchaser died before they transferred the
13 property to someone else. Purchased from the City.
14 It says prior to the death she deeded the property.

15 MR. GOODE: What happened was she
16 passed away. Prior to her death she had two
17 grandchildren. She conveyed all of her properties
18 to her grandchildren prior to her death and that's
19 how they became somewhat entitled. But it was
20 probably done a little bit inappropriately because
21 the restrictions -- whoever the realtor was with
22 who conveyed did not notice or pick up on the
23 restriction. So that's kind of how we -- we are
24 based on restrictions still being on the property.

25 MS. CUNNINGHAM: It is not delinquent?

Page 26

1 Everything is current?

2 MR. O'DWYER: So it met all the
3 requirements for the side yard. I move that we
4 issue a certificate of completion.

5 MR. KOONCE: Second.

6 CHAIRWOMAN JARMON: All in favor?

7 (Ayes.)

8 CHAIRWOMAN JARMON: Any opposed?

9 (No response.)

10 CHAIRWOMAN JARMON: Thank you.

11 MR. GOODE: Thank you very much.

12 CHAIRWOMAN JARMON: 1814 Allison
13 Street. I'm not sure if I invited them. This
14 property was acquired at sheriff's sale in August
15 2016. Was transferred from PHDC back in 1987.

16 Can I get a recommendation?

17 MR. RODRIGUEZ: So moved.

18 MS. CUNNINGHAM: Second.

19 CHAIRWOMAN JARMON: All in favor?

20 (Ayes.)

21 CHAIRWOMAN JARMON: Any opposed?

22 (No response.)

23 CHAIRWOMAN JARMON: The next items are
24 1434 and 1436 North Orkney Street. The applicant
25 bought both lots back in 1994.

Vacant Property Review Committee

Page 27

1 MR. RODRIGUEZ: So moved.

2 MS. CUNNINGHAM: Wait. They have a lot
3 of outstanding liens and taxes and it looks like
4 this agreement of sale looks like a private sale.
5 We're not going to be able to actually give them
6 the liens because they don't have a title company
7 to hold it in escrow until they pay these things.
8 I mean we can hold it until they show payment.

9 CHAIRWOMAN JARMON: Right, we can
10 approve it contingent upon them proving that they
11 have paid the taxes and liens on this property.

12 MR. O'DWYER: The liens are on this
13 property or other --

14 MS. CUNNINGHAM: On these. And I
15 believe she's selling -- that the buyer is supposed
16 to take it subject to all these liens or pay these
17 liens.

18 CHAIRWOMAN JARMON: So can I get a
19 recommendation that it's approved contingent upon
20 those liens and taxes being paid? Can I get a
21 recommendation?

22 MR. KOONCE: So moved.

23 MR. RODRIGUEZ: Second.

24 CHAIRWOMAN JARMON: All in favor?

25 (Ayes.)

1 CHAIRWOMAN JARMON: Any opposed?

2 (No response.)

3 CHAIRWOMAN JARMON: Thank you. The
4 next items are 1606, 1608, 1614 and 1616 Germantown
5 Avenue. I'm not sure if I invited these people
6 because they were out of town and we transferred
7 these back in 1998 and the applicants were in
8 compliance.

9 MR PADILLA: What was it that they were
10 supposed to complete on this site?

11 CHAIRWOMAN JARMON: They acquired it
12 for gardens and handicap entrance next to their
13 church.

14 MR. GOODE: This was a nominal
15 conveyance of a dollar and there's a contract of
16 sale for 1.2 million?

17 MR. RODRIGUEZ: Correct.

18 CHAIRWOMAN JARMON: I think it's
19 included with other addresses.

20 MR. RODRIGUEZ: I have a question.
21 What happens to their handicap accessible entrance
22 if they purchased this extra land for handicap
23 accessibility? Will they lose their handicap
24 accessibility if the building -- if they sell these
25 parcels?

1 MS. CUNNINGHAM: They're selling the

3 CHAIRWOMAN JARMON: They're selling it

5 MR. RODRIGUEZ: Okay.

6 CHAIRWOMAN JARMON: Can I get a
7 recommendation?

8 MR PADILLA: So the letter says they
9 can't sell -- I'm just looking at the original.
10 For more than 15 percent of the amount that it was
11 conveyed to them.

12 MR. RODRIGUEZ: For a period of time.

13 MS. CUNNINGHAM: For six years. It's
14 been 20.

15 CHAIRWOMAN JARMON: This was 1998.

16 MR. O'DWYER: I move that we grant.

17 CHAIRWOMAN JARMON: All in favor?

21 CHAIRWOMAN JARMON: 1413 South Ringgold

4 CHAIRWOMAN JARMON: They're in the
5 process of selling it.

6 MR. RODRIGUEZ: Was it previously
7 occupied or new construction?

8 CHAIRWOMAN JARMON: It's new
9 construction.

10 MR. RODRIGUEZ: Did it have a
11 certificate of completion?

12 CHAIRWOMAN JARMON: I requested that.

13 MR. RODRIGUEZ: I would say I move that
14 we approve contingent that they produce a
15 certificate of completion.

16 MR. KOONCE: Or a certificate of
17 occupancy.

18 MR. RODRIGUEZ: Or a certificate of

5 MS. TOMLINSON: Rebecca Tomlinson.

6 MR. RODRIGUEZ: What was the amount of
7 the mortgage?

8 CHAIRWOMAN JARMON: Do you remember
9 what the mortgage was?

10 MS. TOMLINSON: I believe it was around
11 16,000. I don't have that paperwork on me.

12 CHAIRWOMAN JARMON: It depreciated.
13 It's four years now.

14 MS. JOHNSON: Was it for a side yard?

15 CHAIRWOMAN JARMON: Side yard.

16 MS. CUNNINGHAM: 10 years?

17 CHAIRWOMAN JARMON: 10 years.

18 MR. KOONCE: So four years. So 60
19 percent of the mortgage is still due?

20 CHAIRWOMAN JARMON: Yes.

21 MR. O'DWYER: And you're selling the
22 house next to it and the side yard?

23 MS. TOMLINSON: Yes, I have two

7 a side yard.

8 Can I get a recommendation contingent

Vacant Property Review Committee
June 12, 2018

Page 35

1 MR. MARSHALL: Our request is to --
2 after two years of long, hard work to find the
3 developers I was looking for --

4 CHAIRWOMAN JARMON: Can you speak up a
5 little bit?

6 MR. MARSHALL: It was taking two years
7 of painstaking due diligence to find the quality of
8 build I would like to do on the lots. So I bought
9 two lots 15 years ago. Put \$8,000 down. Paid \$300
10 a month for seven years interest only. So my dream
11 is here. So I found Red Oak Development who we
12 have partnered together to put up some fantastic
13 homes in this area.

14 MR. GIACOBBE: I'm Anthony Giacobbe,
15 Red Oak owner. I was requested here so I can
16 answer any questions of who we are, I guess how the
17 deal was structured.

18 CHAIRWOMAN JARMON: What's your name?

19 MR. GIACOBBE: Anthony Giacobbe.

20 CHAIRWOMAN JARMON: And you're with?

21 MR. GIACOBBE: Red Oak Development.
22 I'm the owner of Red Oak Development.

23 MR. RODRIGUEZ: I'm a little confused.
24 You got these properties in January 2017, correct?

25 MR. GIACOBBE: He did.

1 MR. RODRIGUEZ: You were supposed to
2 develop in a year's time, so January of 2018,
3 correct?

4 MR. GIACOBBE: Yes.

5 MR. RODRIGUEZ: But you're here asking
6 for a release?

7 MR. MARSHALL: What I'm asking for is
8 the financial arm that they're borrowing through
9 requires that the lots be titled in their name.

10 MR. KOONCE: I'm sorry, could you
11 please speak up a little louder?

12 MR. GIACOBBE: Red Oak is -- we're
13 getting all the financing for the project. Sorry,
14 my first time here. I didn't know. So I have my
15 mortgage commitment for that -- for me to get clear
16 title I can't have a restriction placed on the
17 land. Since it ran its time -- Jeff and I have
18 been speaking probably since about September of
19 last year. It took us a little while to come up
20 with a development structure and partnership
21 agreement on how this would be structured. So that
22 time has lapsed. The other York Street addresses
23 were added. He purchased them from the previous
24 owner. We had restrictions on them since 2000, you
25 know -- basically Jeff was unaware that those had

1 restrictions. So I brought that to the attention.
2 So we just needed those restrictions --

3 MR. RODRIGUEZ: My concern is you got
4 -- the terms of getting advances, you have a year
5 to actually develop it. If you can't do that then
6 you ask for an extension, correct? Those are the
7 terms when you get property from Public Property.
8 You're asking now -- there has been no development
9 and you're asking us to release, you know, him from
10 the covenant so that you can actually acquire the
11 property.

12 MR. MARSHALL: Yes.

13 MR. RODRIGUEZ: I think the more
14 appropriate request would be to ask for
15 subordination so that you can proceed with
16 financing. If you're attaching a partner that
17 still doesn't relieve the obligation to develop --
18 if you're telling us that you need a financial
19 partner to develop, that's a different story from
20 asking us to give you a release from the covenant.

21 MR. MARSHALL: I'm not familiar with
22 that. This is my first build and I went through
23 eight major developers in the city until I met them
24 and I knew right away that this is the type of
25 quality project. I wasn't even familiar with 1900

1 through 06, which I bought. 23, 31 and 33. It
2 gives you approximate 17,500 square parcels. 15
3 contiguous lots.

4 MR. RODRIGUEZ: I get that part. My
5 point to you is there's an issue of agreement. The
6 terms of the agreement were to develop in a year.
7 That's between you and the City, correct?

8 MR. MARSHALL: Yes.

9 MR. RODRIGUEZ: At that point in time
10 if you could not develop you can ask for a six
11 month extension. That was part of the agreement,
12 right? At this point you have not developed, so
13 therefore technically that's in default. And now
14 you're asking us to release you in a default
15 situation that we can convey to another developer.

16 MS. CUNNINGHAM: If I remember
17 correctly from the agreement of sale to -- there
18 was quite a bit of profit happening as well.

19 MR. MARSHALL: But it's not as much as
20 you think. There's initial down payment which
21 takes me out of my hard money. I jumped without a
22 parachute. So that lump sum upfront barely makes
23 me even. And I am tied to each property as its
24 sold.

25 MS. CUNNINGHAM: That doesn't make you

1 their partner. That makes you their lender. That
2 doesn't really make you their partner. I mean I
3 know that that's how you see it, but that doesn't
4 actually make you the partner.

5 MR. GIACOBBE: To answer that. We're
6 arranging all the financing. Me and my business
7 partner are going to personally guarantee the loan.
8 The way that other lending institution works is him
9 and I sign it. They do not want another party
10 signing. The way we structured it is basically a
11 partial release. In a sense that was the only way
12 we could come up with the development partnership
13 was to kind of JV and say -- besides the Land Bank,
14 he also has five properties he purchased that
15 aren't on this that we're also purchasing. There's
16 other properties that he owns that aren't Land
17 Bank.

18 MR. RODRIGUEZ: What you're asking this
19 Committee is he's in default of the current
20 agreement and you're asking us to step out of the
21 deal then you get a windfall. Instead of asking us
22 for subordination we could actually just -- I mean
23 if you're looking for financing -- I mean our goal
24 --

25 MR. GIACOBBE: So the way it reads now

1 is that he is in default and that's why I'm here,
2 you know.

3 MR. O'DWYER: What's being said is that
4 -- we can't grant a certificate of completion and
5 say that the obligations were met when they weren't
6 met. That's not something we can do. There are
7 options that we can do, including granting an
8 extension and subordinating the City's interest in
9 the property to the interest of a lender. We can
10 do that to ease getting financing. But we're not
11 going to be able to just --

12 MR. GIACOBBE: I think that's
13 acceptable.

14 MR. PADILLA: But that request of an
15 extension should have been made before January.

16 MR. MARSHALL: In all fairness, I was
17 in touch with the councilwoman in the district. I
18 didn't realize -- this being my first build and its
19 grown more than I ever could have imagined. So if
20 you can imagine never having done it and then
21 scrutinizing each developer coming through, it's
22 been quite the trying time.

23 CHAIRWOMAN JARMON: Okay. I don't want
24 to cut you off but are you asking that we add this
25 guy to your title or just you transfer it to him?

1 MR. GIACOBBE: I need to be able --
2 because I need to be able to put construction on
3 the land, so I'm going to need the entity -- I need
4 to be able to have an extension, a long enough
5 extension because it is 15 parcels that it gives me
6 enough time because it's not all being built --

7 MR. PADILLA: Have you formed a formal
8 JV, a structure which we can see that Mr. Marshall
9 is part of this partnership?

10 MR. GIACOBBE: It's done via -- the way
11 -- because it has -- it has to be done with an
12 agreement of sale where he's getting a small
13 portion up front and then as each property sells
14 he's basically paid per property. So it's not --

15 MR. PADILLA: I understand. But is
16 there an LLC which incorporates both of your
17 entities?

18 MR. GIACOBBE: There is not because the
19 construction loan is only being signed for by Red
20 Oak.

21 MR. RODRIGUEZ: You're taking all the
22 liabilities -- you took an option out on the City
23 property and you have now sold it and you're asking
24 us to release our interest. That's in essence
25 what's happening.

Vacant Property Review Committee
June 12, 2018

Page 42

1 MR. MARSHALL: It's really not.

2 MR. RODRIGUEZ: You didn't meet the
3 agreement, right? You were supposed to develop.
4 You don't have the means to do so, so you brought
5 in a partner. But you're asking us to release our
6 interest and therefore you're getting fade out
7 because he has the capacity to do so. Is that what
8 was --

9 MR. MARSHALL: This came in in parcels.
10 I never expected to carry the corner. Pieces fell
11 into place that I couldn't pass up.

12 MR. RODRIGUEZ: I understand that. My
13 point to you here is the issue for this Committee
14 is you're asking us to release the City's interest
15 so that you can refinance -- or he can build it for
16 you. My point to you is --

17 MR. KOONCE: I don't think that's the
18 request. I believe what you're really -- is what
19 you're really asking for is that we release our
20 interest so that you can then convey the properties
21 to this -- to the new entity?

22 MR. MARSHALL: Yes. What --

23 MR. KOONCE: Yes, right?

24 MR. MARSHALL: Yes. Yes. Yes.

25 MS. CUNNINGHAM: Is that something we

1 can do? We can't give a certificate of completion
2 on something that wasn't completed. I mean we
3 can't re-record a document that says he met all of
4 these restrictions when you didn't.

5 MR. MARSHALL: What does a
6 subordination --

7 MS. CUNNINGHAM: Means that the
8 restrictions remain on the title and the lender's
9 interests come before the City's reversionary
10 interest. Which means that the lender would have
11 -- and were we to reverb we would have to notify
12 the lender.

13 MR. RODRIGUEZ: We would also have to
14 recognize the formal partnership. So understand
15 the whole situation, by ordinance you have a year
16 and then six month extension. You're well past
17 that. So you're asking us to make a certain amount
18 of exceptions.

19 MR. MARSHALL: I understand. I turned
20 down so many -- each and every one wanted to and
21 they didn't meet my standards that I felt that I
22 wanted to put up for the community.

23 MR. KOONCE: I don't mean to be rude,
24 but that's something that you should have had in
25 hand when you -- you should have had your plans and

1 your partners in hand when you first came here for
2 the properties.

3 MR. MARSHALL: When I first -- when I
4 bought the properties?

5 MR. KOONCE: Yeah. When we first
6 approved the transfer.

7 MR. MARSHALL: I just wasn't familiar.
8 This is my first one. So I plead a little bit of
9 ignorance there.

10 MR. KOONCE: I don't know how we can --
11 I don't know how we can help because in order for
12 -- you aren't going to apply for financing. The
13 entity that's being created or the entity that's
14 already there that you're part of or not part of is
15 going to apply for financing and even if we
16 subordinate to you because our arrangement is with
17 you, is not with, you know -- I think we start all
18 over again from -- so they bring us a proposal, we
19 get the properties reappraised just like -- I'm not
20 adverse to that. You start all over again.

21 MR. MARSHALL: Well, they were
22 appraised just recently.

23 MR. KOONCE: I know they were
24 appraised, but you're in violation of -- it's been
25 over a year --

1 MR. RODRIGUEZ: It's a default of the
2 agreement.

3 MR. KOONCE: You haven't even started.
4 And if you proceed now you're not going to start
5 construction in time enough to finish in a year
6 from now.

7 MR. MARSHALL: They bought a lot in
8 between which is --

9 MR. KOONCE: I got that.

10 MR. MARSHALL: That's approved. Right.

11 MR. KOONCE: But you don't have plans
12 that have been approved by L&I. Do you even have
13 plans?

14 MR. GIACOBBE: On my side we got -- we
15 finalize everything within February of this year.
16 So before I -- I need some control before I'm going
17 to -- it's about \$200,000 to get plans. I mean
18 it's just we need to kind of -- you know, as a
19 developer I need to take the certain steps to make
20 sure --

21 MS. CUNNINGHAM: You want more
22 reassurance, which I understand. But we can't give
23 it.

24 MR. GIACOBBE: We came in -- so I'm
25 just trying to figure out what we can do here,

1 whether it's an extension -- again, it is a large
2 parcel so it's not two homes I can put up in six
3 months and sell.

4 MR. RODRIGUEZ: I would ask, point of
5 clarification, based on the ordinance, can we
6 provide this?

7 MS. MEDLEY: Can we provide what?

8 MR. RODRIGUEZ: Can we even entertain a
9 subordination? They're a year and six months past
10 the time.

11 MS. MEDLEY: If the Committee wants to
12 entertain that, they possibly can. I think what
13 might be a good idea is to table it and have them
14 come back with a written plan on how they're going
15 to pay for -- whether they're together or if
16 they're going to keep it separate and perhaps make
17 a request to add a second entity. That's a
18 possibility. But they need to come back with a
19 written plan and be more clear how they're going to
20 pay for it and what they're going to do with it. I
21 think that might help with making a decision.

22 MR. O'DWYER: Do you understand what
23 she just said?

24 MR. GIACOBBE: I do.

25 MR. MARSHALL: I do. We did present

1 those plans of the one house that Red Oak had
2 bought separately -- right in the middle. And that
3 plan, the house was given out to the Committee of
4 the --

5 MR. O'DWYER: You're referring to a
6 plan for like a house? We're talking about a
7 broader plan for how this development project is
8 going to work, how you guys are going to structure
9 your arrangement with the understanding that this
10 Committee is not going to grant the certificate of
11 completion when the project has not yet been
12 completed. We can entertain subordination
13 agreements and extensions of time in six month
14 increments. And so understand that as you're
15 putting together your plans -- so the idea would be
16 you come back in a month or two months, depending
17 on how much time you need, and present to this
18 Committee a plan that we can then work with.

19 MR. PADILLA: I have a question. Are
20 we bound to a six month extension or --

21 MR. O'DWYER: That's the max we can
22 give.

23 MR. PADILLA: For a proposal I don't
24 think we should wait around --

25 MS. CUNNINGHAM: I think we're just

1 tabling it for them to come back with that next
2 month.

3 MR. KOONCE: But even -- okay. They
4 come back in -- I'm not saying there's not anything
5 that can be worked out. I think we're just setting
6 ourselves up to delay it another -- who is the
7 property deeded to?

8 MR. PADILLA: To Marshall Ventures, LP.

9 MR. KOONCE: And this is Red Oak that's
10 now going to develop the properties?

11 MR. MARSHALL: Yes, the builders. Yes.

12 MS. JOHNSON: So then what are their
13 options?

14 MR. KOONCE: So even if we subordinate
15 to Marshall Ventures, they're still not going to be
16 able to get the loan.

17 MS. MEDLEY: Before you even get to
18 that point, they need to make a decision --

19 MR. KOONCE: I'm just saying, even if
20 that works out and we get to the point where we
21 have given them an extension, we're willing to give
22 them an extension, we're willing to subordinate, we
23 can only subordinate to Marshall Ventures.

24 MS. JOHNSON: Can Marshall add to their
25 entity?

1 MR. RODRIGUEZ: It's the other way
2 around. Red Oak has to get the financing. It
3 can't be -- it's a totally different --

4 MR. MARSHALL: It muddies the water for
5 financing. They have a working relationship with
6 this private lender that required -- that was a
7 stipulation from them that they be on title just to
8 protect their best interest.

9 MS. JOHNSON: So it has to be Red Oak.
10 So that's the only way that that's going to work.

11 MR. PADILLA: Based on the structure,
12 correct.

13 MS. JOHNSON: We would have to take the
14 property and convey it to Red Oak.

15 MR. PADILLA: Correct.

16 MS. JOHNSON: Which means that you
17 would default and the build would be redone.

18 MR. KOONCE: The question is is there a
19 mechanism that this Committee can entertain that
20 would convey the properties to Red Oak?

21 MS. MEDLEY: The Committee would not be
22 able to convey directly at this point -- they could
23 possibly decide if they want to do a partnership
24 and form a partnership or just add Red Oak to the
25 deed and then -- if we did it that way it would --

1 MS. JOHNSON: But he says he can't get
2 financing with him --

3 MS. MEDLEY: At all?

4 MS. CUNNINGHAM: Is that correct? You
5 cannot get financing the way Marshall Ventures is
6 part of the title?

7 MS. JOHNSON: Can you restructure it
8 with you as a joint partner? Because otherwise
9 there's no way to do it as currently you're
10 proposing. It has to be legal.

11 MR. GIACOBBE: I understand what you're
12 asking. I can talk to the lender.

13 MR. MARSHALL: And I wouldn't -- I
14 don't mind going on that. So the portion of --
15 they're looking for the most -- God forbid
16 something happened, for them to get their money the
17 most simplest way. So by muddying the water --

18 MS. JOHNSON: The waters are already
19 muddied.

20 MR. MARSHALL: I'm knee deep in it.

21 MS. MEDLEY: That's why I'm suggesting
22 possibly tabling it so they can go back and decide
23 how they want to structure to deal with the options
24 being either -- making a request that Red Oak be
25 added to Marshall Ventures' deed or if they want to

1 form a partnership and then ask that the property
2 be transferred to that partnership.

3 MR. RODRIGUEZ: Would that require a
4 new resolution?

5 MS. MEDLEY: No. And they need to find
6 out from their lender what, if anything, is
7 acceptable and then working that out. And then
8 we're coming back to this body with that worked out
9 and a proposal for the land exactly how it's going
10 to be paid for.

11 MR. PADILLA: Based on the conveyance
12 does Marshall retain the majority of the ownership
13 of this partnership?

14 MS. MEDLEY: I'm not sure of that. I
15 don't think so.

16 MS. JOHNSON: So if they come back to
17 something we need to tell them what they need to
18 form -- in order for us to approve it, what type of
19 entity would make it --

20 MS. MEDLEY: I think that is for them
21 to decide how they want to structure it.

22 MS. JOHNSON: But then if we come back
23 and say that doesn't work --

24 MR. GIACOBBE: I prefer to know how you
25 want it structured so that our counsel can draft it

1 the proper way.

2 MS. CUNNINGHAM: That would be legal
3 advice.

4 MR. RODRIGUEZ: I think what we're
5 telling you is that currently Marshall Ventures is
6 in default. You can't get any extension at this
7 point. We're saying we'll table it for a month.
8 You will need to come up with a corporate structure
9 that shows that he's still part of the deal since
10 he's the one that has the agreement with the City
11 and that you're -- you know, how you're going to
12 proceed. I think that was the proposal that Ms.
13 Medley is offering.

14 MR. KOONCE: I think -- I still think
15 the Committee even after that is submitted has to
16 start thinking about what was the date of the last
17 approval as these properties need to be
18 reappraised. If it's been a year and a half, two
19 years it's like speculation. Inadvertent, but
20 still speculation.

21 MR. MARSHALL: As I was researching my
22 developers there were so many different ideas put
23 out there of different uses. And so I would have
24 started and I had the financial capabilities to
25 start at 1916, 1918 which I bought almost 15 to 17

1 years ago when it was just blighted property. Just
2 was a dream of building. As I was able to acquire
3 through private and then through the RDA as well
4 and the Land Bank -- was first recipient from the
5 Land Bank. It kind of got bigger than I did. As
6 my lawyer brought different investors, Lawrence
7 Hamilton, it blew me away. It was bigger than me.
8 So this is a dream of mine. I found them of a
9 character and integrity that I want to work with.
10 It's taken me that long -- I realize regulations --

11 MR. RODRIGUEZ: We appreciate that, but
12 you had an agreement and there were stipulations in
13 the agreement. So if you knew you were having
14 problems the question was with --

15 MR. KOONCE: We were told that Marshall
16 Ventures was going to develop these properties
17 within a year and that has not happened. We
18 weren't told that as soon as Marshall Ventures
19 could get a partnership with someone they would
20 begin to develop the properties. We were told that
21 Marshall Ventures was going to begin to acquire
22 these properties -- develop these properties once
23 they're conveyed. That's what we were told.

24 MR. MARSHALL: Which was my original
25 plan. But all the timing of the corner of that and

1 things fell into place that all of a sudden it
2 became this huge parcel that I wanted to do best
3 use.

4 MR. KOONCE: We're not interested in
5 the huge parcel. We're interested in the five
6 properties that we conveyed to you. If they happen
7 to be part of a larger development, fine. But you
8 were the one -- these properties were conveyed to
9 you. You took title to them. You assumed the
10 agreement, the deed that held you to complete these
11 properties within a year and it's been well over a
12 year. It's been almost a year and six months and
13 it will be in probably another six to eight months
14 before -- even if we did everything we asked you to
15 do before you could possibly start. To me this
16 deal is almost dead.

17 MR. PADILLA: I think my comment is in
18 general I understand this is your first but, you
19 know, I don't think we as a Committee, you know,
20 want to entertain, you know, people experimenting
21 with our land and see what happens. You know, we
22 have an obligation to get these properties out and
23 redeveloped and put into proper use. And, you
24 know, this is just an example of how that is not
25 going to happen.

1 MR. MARSHALL: It's not so much -- it
2 could have happened if I just settled and I wasn't
3 --

4 MR. PADILLA: There are a lot of could
5 haves in development. I understand that. It's
6 just when entities come here and request land for
7 an expected use, we hinge our expectations on the
8 redeveloper and that certainly has not been met.

9 MS. CUNNINGHAM: While we empathize
10 with you, there's nothing in the Code or the
11 Charter that allows us to make exceptions because
12 you're a beginner. It's not the way -- you're
13 asking us to make exceptions and to give you a
14 release or to give you -- to let you be a
15 partnership without really a partner. We can't
16 make those kinds of exceptions.

17 MR. MARSHALL: All I want to do is live
18 my life honorably. I'm not asking for any favors.
19 I'm asking for some guidance here on what is best
20 for you to see that this is a clear transparent
21 deal.

22 MR. RODRIGUEZ: I mean, I appreciate
23 what you're saying but what she's saying is you're
24 in default of the agreement and terms. The point
25 is we're dealing with it here, we're dealing with

1 it there, we're doing it with everybody and that's
2 the issue, that at a point, you know, any developer
3 in the City has to also be aware of what the
4 stipulations are. Like you expect to get
5 City-owned property. We have an expectation. Like
6 you're saying, we want it developed. But it
7 doesn't mean that you should be the one developing
8 it. That's my point. It's like, you know, if you
9 can't do it, then you can't do it. That's fine.
10 But you're asking us to now like -- we have an
11 ordinance. This is the ordinance that applies to
12 everybody.

13 MS. JOHNSON: Can we layout what the
14 options are? To default the agreement is one.

15 MR. RODRIGUEZ: That's a question for
16 --

17 MS. JOHNSON: Right now what are our
18 options?

19 MR. KOONCE: Option one is we can
20 revert the properties.

21 MS. MEDLEY: The Committee's options
22 are to make a recommendation that the City take the
23 title to the properties back. Another option is to
24 table it. Another option -- to table it for
25 whatever you want to table it for. As I suggested,

1 possibly giving them a month to come back with more
2 complete plans. Or option three is to just say no
3 because the Committee is not going to recommend
4 that the City's reversionary interest be released
5 and that's the end of it. Not really the end of
6 it. It then reverts back to option one.

7 CHAIRWOMAN JARMON: Can I get a
8 recommendation?

9 MR. KOONCE: I'm in favor of giving
10 Marshall Ventures -- tabling it and giving Marshall
11 Ventures a month to come back and let us know, tell
12 us who is going to be developing these properties
13 and what the terms of the original -- of the deal
14 of the partnership.

15 MS. JOHNSON: See if you can get
16 financing.

17 MR. MARSHALL: And we have the
18 agreement of sale which states the exact -- from
19 the last time that I was here when it was tabled.

20 MR. KOONCE: You have an agreement of
21 sale with whom?

22 MR. MARSHALL: On us?

23 MR. O'DWYER: Between you --

24 MR. MARSHALL: Yes, we do.

25 MR. KOONCE: So there's no -- it's not

1 a partnership. You're just conveying the
2 properties to Red Oak.

3 MR. GIACOBBE: The way that the
4 agreement was, this was worked out with our
5 counsel, he is not getting paid say a full sales
6 price at closing. He walks away. He has the title
7 of the project. So there's a small monetary --

8 MS. CUNNINGHAM: Which doesn't make him
9 a partner. It makes him your lender.

10 MR. PADILLA: I move to table this,
11 strict 30-day extension with very clear proposals
12 that are amenable to this Committee and should your
13 proposals that come back to us within those 30 days
14 are not within the realm that we can approve then
15 we move to revert these properties.

16 MS. CUNNINGHAM: I'll second that.

17 MR. PADILLA: I'm sorry, motion is not
18 to extend, is to put on hold for 30 days.

19 MS. CUNNINGHAM: Until the next
20 Committee meeting.

21 MR. MARSHALL: I just need a little
22 more clarity. So what you would like to see is the
23 actual entity that would be the joint partnership
24 --

25 MR. PADILLA: We can't make those

1 suggestions to you. You have to make those
2 suggestions to the Committee.

3 CHAIRWOMAN JARMON: Okay. I think he
4 got it.

5 MR. RODRIGUEZ: We're looking for --
6 we're going to table this to the next meeting until
7 you present a viable path forward for this
8 Committee to approve you taking on a partner in
9 financing to get this development moving.

10 MR. MARSHALL: Who would I speak with
11 here that would give me the exact clarity, Ms.
12 Jarmon, the exact clarity --

13 MR. PADILLA: It's your development
14 team. Your attorney.

15 CHAIRWOMAN JARMON: I think he gets it.

16 MS. JOHNSON: You heard our comments
17 so --

18 MR. MARSHALL: Very good.

19 MS. JOHNSON: The properties were
20 conveyed to you.

21 MR. MARSHALL: I put my heart and soul
22 into this. I can't tell you -- it means a lot to
23 me.

24 MS. CUNNINGHAM: And we do appreciate
25 that and we appreciate your passion. Just we have

1 a very limited scope of what we recommend.

2 CHAIRWOMAN JARMON: We have a motion on
3 the table to table it until next month. All in
4 favor?

5 (Ayes.)

6 MR. RODRIGUEZ: Hold on one second. So
7 last month's agenda you had another agreement of
8 sale for the same property with another entity?

9 MS. JOHNSON: The next item is Red Oak
10 as well.

11 MR. RODRIGUEZ: Jeffrey Marshall of
12 Marshall Ventures with York Jasper Partners?

13 MR. MARSHALL: Yes.

14 MR. RODRIGUEZ: That's you?

15 MR. GIACOBBE: Red Oak Partner is our
16 parent company. We don't actually own title to
17 anything.

18 MR. RODRIGUEZ: I'm a little confused.
19 So you were here last month --

20 MR. GIACOBBE: I was not.

21 MS. CUNNINGHAM: They were a no-show.

22 MR. RODRIGUEZ: So then now it's Red
23 Oak.

24 MR. GIACOBBE: No. So we do business
25 under Red Oak. Red Oak is a development company.

1 We don't take title in Red Oak.

2 MR. RODRIGUEZ: Single-purpose entity.

3 CHAIRWOMAN JARMON: The next item is
4 also Marshall Venture in his ownership. So we want
5 to table that item also until next month.

6 MS. JOHNSON: It's with Marshall?

7 CHAIRWOMAN JARMON: He owns that also.
8 He bought it from Tran Tin. Okay?

9 MR. KOONCE: Can I just give you a
10 cautionary note though when you come back, at least
11 for me. I don't believe that you are entitled to
12 profit from this delay from this sale conveyed to a
13 new entity. The only thing that I believe you're
14 entitled to is what you paid for the properties and
15 your holding costs.

16 MR. MARSHALL: Fair enough. That's
17 what it is. But then with the builds, as each
18 house is sold --

19 MR. KOONCE: I'm not -- I'm not even
20 interested in when you get -- when you get -- you
21 know, your payment. I'm just saying you're not
22 entitled to anything except -- out of this
23 arrangement except for what you paid for the
24 properties and your holding costs.

25 MR. GIACOBBE: I understand.

1 MR. MARSHALL: Okay. That's what you
2 feel is correct for my portion of it? This wasn't
3 a cash grab.

4 MR. KOONCE: I'm just --

5 MR. MARSHALL: Yeah. Yeah. So I just
6 want to make sure. My heart is where it's at.

7 CHAIRWOMAN JARMON: Okay. So this item
8 is tabled along with the ones on the next page,
9 1900 through 06 York Street until next month.

10 MS. CUNNINGHAM: Thank you.

11 MR. DODDS: I also ask that the debris
12 on the lot is removed. There's a photo and there's
13 still debris on the lot.

14 CHAIRWOMAN JARMON: So the lots need to
15 be cleaned by next month.

16 MR. O'DWYER: I don't believe we voted.

17 CHAIRWOMAN JARMON: So let's vote. All
18 in favor?

19 (Ayes.)

20 CHAIRWOMAN JARMON: Any opposed?

21 (No response.)

22 CHAIRWOMAN JARMON: Okay. We'll see
23 you next month.

24 The next item, 2544 Germantown Avenue
25 which was transferred to Village of Arts as a side

1 yard to their property in '07. It was their
2 business.

3 MR. O'DWYER: Is this new construction
4 on that property or is this a vote --

5 CHAIRWOMAN JARMON: Yeah, it is.

6 MR. O'DWYER: Did they sell it or are
7 they still --

8 MR. KOONCE: What do we know about it?

9 CHAIRWOMAN JARMON: I don't know, Mike.
10 I had attachments in here and for some reason
11 they're not in here. So it looks like it was
12 developed into a building.

13 MR. RODRIGUEZ: Just background. This
14 is a community group that also does open space. It
15 was started about 25 years ago by EDA. They do
16 programming, children programming, community
17 programming. They also do an artist in residency
18 programming and utilize these buildings to house
19 residents that provide art classes to the students
20 in eastern north Philadelphia. They are a local
21 RCO in that neighborhood.

22 MS. JOHNSON: Recommend that we issue a
23 certificate of completion.

24 MR. RODRIGUEZ: Second.

25 CHAIRWOMAN JARMON: All in favor?

5 transfer. We're going to table this.

6 1608 Ridge Avenue. Francisville. I
7 have the --

8 MS. CUNNINGHAM: Recommend certificate
9 of completion.

10 MR. O'DWYER: Second.

11 CHAIRWOMAN JARMON: All in favor?

12 (Ayes.)

13 CHAIRWOMAN JARMON: Any opposed?

14 (No response.)

15 CHAIRWOMAN JARMON: 2021 Oakford.

16 MR. O'DWYER: Move to grant the
17 certificate of completion.

18 CHAIRWOMAN JARMON: I'm waiting for the
19 certificate of occupancy. It's there? Okay.

20 MS. CUNNINGHAM: Second.

2 Your name for the record.

3 MR. IGHLAEN: Brahim Ighlaen.

4 CHAIRWOMAN JARMON: And you're here --
5 what's your request? I think it had to do with --

6 MR. IGHLAEN: We just finally -- took
7 us too long to get a building permit because we
8 acquired the next door property. The original lot
9 that we have from the City of Philadelphia was 12
10 feet wide. So get the next one. We consolidate
11 them. We get a variance and now we just got a new
12 building permit about two weeks ago and we are
13 ready to build. We have a loan approved by the
14 title company. Want another extension for us to
15 start construction in a couple weeks.

16 MR. KOONCE: And this is an old one
17 from originally conveyed in '86?

18 MR. RODRIGUEZ: That was conveyed in
19 '13.

20 CHAIRWOMAN JARMON: No, we transferred
21 this in 2013 to Global Community.

22 MR. O'DWYER: Was this transferred as a
23 side yard?

24 CHAIRWOMAN JARMON: No, they want to
25 develop.

1 MR. O'DWYER: Just to be clear, so you
2 haven't developed on this side yet?

3 MR. IGHLAEN: No.

4 MR. O'DWYER: What are you looking for
5 or --

6 MR. IGHLAEN: Just another extension.

7 MR. O'DWYER: So you're not --

8 MR. IGHLAEN: We are ready to start
9 construction. We have a letter of commitment from
10 the lender I sent to Ms. Jarmon. For us to go to
11 settlement to get the loan the title company
12 required another extension. So we are ready to
13 start construction.

14 MS. JOHNSON: So you are not requesting
15 a release?

16 MR. IGHLAEN: No.

17 MR. KOONCE: Why an extension as
18 opposed to subordination?

19 MR. O'DWYER: They need six months
20 because they're over the one year build
21 requirement.

22 MR. KOONCE: Have we given them one
23 extension already?

24 MR. IGHLAEN: Yes, you did. But it
25 took, believe it or not, six months for city

1 conveyor to get the consolidation done for the two
2 properties. Another six months for variance and we
3 finally just get the building permit about three
4 weeks ago.

5 MR. KOONCE: Okay.

6 CHAIRWOMAN JARMON: So can I get a
7 recommendation?

8 MS. MEDLEY: You need something for
9 funding. So is your funder --

10 MR. IGHLAEN: It's approved.

11 CHAIRWOMAN JARMON: They got it.

12 MS. MEDLEY: Okay.

13 MS. CUNNINGHAM: There have been some
14 conditions in that financing commitment are going
15 to require a subordination agreement at some point.

16 MR. KOONCE: Why don't we just give it
17 to them now.

18 MS. CUNNINGHAM: Your lender is going
19 to require that. It's in the loan documents,
20 there's a condition to closing on that loan that
21 they subordinate -- that we subordinate to them.

22 MR. RODRIGUEZ: I move that we approve
23 the extension with a subordination.

24 MR. KOONCE: Second.

19 CHAIRWOMAN JARMON: I e-mailed them and
20 told them that they needed to clean it and get this

15 was transferred.

16 MR. RODRIGUEZ: And they owe taxes.

17 CHAIRWOMAN JARMON: It can be approved
18 contingent upon --

19 MR. KOONCE: So it was conveyed to 29th
20 Street CDC and then they conveyed it?

21 MS. CUNNINGHAM: There was conveyance
22 after that.

23 MR. KOONCE: Who did they convey it to?

24 MS. JOHNSON: It said that she has
25 dementia and she is no longer able to handle it.

1 MS. CUNNINGHAM: To Gladys Bee.

2 MR. O'DWYER: Gladys Bee is --

3 MS. JOHNSON: It's a house.

4 CHAIRWOMAN JARMON: She was the head of
5 the nonprofit.

6 MS. CUNNINGHAM: Her daughter wants to
7 -- they have somebody who wants to finish the
8 renovations. Are they willing to accept the
9 restriction that --

10 CHAIRWOMAN JARMON: This property was
11 already complete when they transferred title.

12 MS. CUNNINGHAM: Okay.

13 CHAIRWOMAN JARMON: Yeah. Can we get
14 the approval contingent upon the taxes being paid?

15 MR. KOONCE: So moved.

16 MR. RODRIGUEZ: Second.

17 CHAIRWOMAN JARMON: All in favor?

18 (Ayes.)

19 CHAIRWOMAN JARMON: Any opposed?

20 MR. O'DWYER: Wait. I just wanted to
21 clarify. So this was transferred in 2014 to a CDC.
22 Was it transferred at nominal value?

23 CHAIRWOMAN JARMON: It was. They had
24 been in there for like 20 years before we finally
25 were able to transfer title to them.

Vacant Property Review Committee

1 MR. O'DWYER: So they were basically
2 using the property for 20 years. It was
3 transferred to them and now they're planning on
4 selling the property.

5 MS. JOHNSON: It seems like there's one
6 individual who is the entity and she now has
7 dementia and the daughter is taking over the
8 affairs and wants to sell it.

9 MR. KOONCE: It hasn't been sold.

10 MS. CUNNINGHAM: There's an agreement
11 of sale for \$15,000.

12 CHAIRWOMAN JARMON: Anymore questions?
13 Any further questions? Can I get a recommendation?

14 MR. KOONCE: Move to approve.

15 MR. RODRIGUEZ: Second.

16 CHAIRWOMAN JARMON: All in favor?

17 (Ayes.)

18 CHAIRWOMAN JARMON: The next item, 1238
19 North Hollywood. This was a lot transferred out as
20 a side yard and now has been developed.
21 Certificate of occupancy is here.

22 MS. CUNNINGHAM: Motion for release.

3 CHAIRWOMAN JARMON: The next item is
4 2004 --

5 MS. MEDLEY: Just a question about 1238
6 Hollywood, I know that you said that they been in
7 the property for 20 years, but when they got it
8 when it was transferred in 2014 what restrictions
9 were on the deed?

10 CHAIRWOMAN JARMON: The five years.

11 MS. MEDLEY: Okay.

12 CHAIRWOMAN JARMON: You're talking
13 about Lehigh?

14 MS. JOHNSON: That's Lehigh Avenue.

15 MS. MEDLEY: Okay. Sorry.

16 CHAIRWOMAN JARMON: Yeah, it had the
17 five-year restriction.

18 MR. O'DWYER: Which were not -- they
19 didn't meet the five year --

20 CHAIRWOMAN JARMON: They had already
21 rehabbed the property. That's how we transferred
22 title.

23 MS. CUNNINGHAM: Right. But if they
24 sell it now, it's prior to the five year
25 restriction where they're not allowed to sell it.

1 MR. KOONCE: I think what this is is
2 this part -- was this part of a program when we
3 would allow people to -- an old program where we
4 would allow people to occupy and then once they --

5 CHAIRWOMAN JARMON: Finished the work
6 and transferred title.

7 MR. KOONCE: We just transferred title.

8 CHAIRWOMAN JARMON: And this group had
9 been in this property developed for years and then
10 we finally had the real estate committee approve
11 transfer to them.

12 MR. KOONCE: I think the fault would
13 have been ours because we didn't approve transfer.

14 MS. MEDLEY: I just wanted to be clear
15 that because of all of that they won't be required
16 to pay whatever those restrictions because that's
17 part of the restrictions that are added.

18 CHAIRWOMAN JARMON: The regular five
19 year restrictions, they had done all the work in
20 the property.

21 MR. O'DWYER: In 2014 the property was
22 completely rehabbed and up to code. Now four years
23 later the front steps are --

24 CHAIRWOMAN JARMON: Probably.

25 MR. O'DWYER: Okay.

3 Now the 2004 Amber Street --

4 MS. JOHNSON: Did we vote on 1238 North
5 Hollywood? I don't think we did.

6 CHAIRWOMAN JARMON: Go ahead. 1238
7 Hollywood Street. It was a single family dwelling.
8 Now it's developed. There's a certificate of
9 occupancy and we voted on it.

10 MS. CUNNINGHAM: We did.

11 CHAIRWOMAN JARMON: Okay. Thank you.
12 2004 Amber Street. This was property
13 transferred from PHDC back in 1988.

14 Can I get a recommendation?

10 CHAIRWOMAN JARMON: Right. I think I
11 got an e-mail.

12 MR. O'DWYER: These were transferred as
13 lots and now they are habitable, open to code.

14 MR. PETT: They were transferred as
15 lots in 1999. When they rebuilt it in 2000 just
16 didn't apply for the release.

17 CHAIRWOMAN JARMON: Right.

18 MR. O'DWYER: I move that we issue a

9 MR. KOONCE: Taxes current?

10 MS. CUNNINGHAM: They are not current.
11 But we can --

12 MR. RODRIGUEZ: How much?

13 MS. CUNNINGHAM: She's selling. It's
14 like 1900.

15 CHAIRWOMAN JARMON: Yeah, they're

4 handed out.

5 Can you state your name for the record.

6 MR. VINCENTY: Yes. My name is Hector
7 Vincenty. I'm the owner of this property. To get
8 financing for the loan I currently have a finance
9 company sent me a letter -- I don't think it's in
10 the packet -- stating that we have agreed to
11 provide a loan for the above-referenced property.
12 We can close the loan without five year extension
13 or subrogation agreement.

14 CHAIRWOMAN JARMON: He's requesting a
15 subordination agreement in order to get financing
16 for this project. Can I get a recommendation?

17 MS. CUNNINGHAM: As an extension?

18 MR. PETT: No.

19 MR. RODRIGUEZ: You're sure?

20 CHAIRWOMAN JARMON: Well, if they
21 subordinated --

22 MR. PETT: I do need an extension due
23 -- currently I have already had the extension. One
24 of the problems that we had that delayed the
25 project a lot was that when the geotech report went

1 out to check the soil the buildings that were
2 demolished at whatever time it was demolished never
3 capped up the water supply. So the water was
4 currently running for the last 20 years. So there
5 was some significant soil contamination on that
6 report. We was able to repair to the best of our
7 ability, but the permits are being submitted.

8 MR. RODRIGUEZ: My question is do you
9 want to amend your request and ask for a
10 subordination and extension?

11 MR. PETT: Yes.

12 MS. CRUEL: It's liens on there. It
13 was like about three different things. Now just
14 finding out last night that something about sewage
15 or something was --

16 MS. CUNNINGHAM: Storm water bill.

17 MS. CRUEL: Yes. That was my
18 responsibility they said. But I didn't know that
19 until last night when somebody told me because I

5 to keep it in the family.

6 MS. CUNNINGHAM: We can't give you a

8 like when you owe those things, we can't give you a

10 MS. CRUEL: I didn't hear about it
11 until last night. I can go and pay that today.

12 MR. RODRIGUEZ: Are we talking about

5 be charged. You shouldn't be charged for --

6 MS. CUNNINGHAM: There's no concrete at
7 all?

8 MS. CRUEL: No.

9 MR. RODRIGUEZ: If it's vacant land --

10 MR. O'DWYER: When you call make sure
11 you bring it up.

12 CHAIRWOMAN JARMON: I'm going to get in
13 contact with them for you.

14 MS. CRUEL: Thank you.

15 MR. O'DWYER: What we can do is grant
16 it -- when you're asking for the certificate of
17 completion contingent upon the issue with the water
18 being cleared up. And so whenever you take care of
19 that, enter into an agreement about that, then we
20 can issue the certificate of completion and you
21 won't need to come back here.

22 MS. CRUEL: Okay. May I ask a
23 question? The gentleman was saying --

24 MR. RODRIGUEZ: You have to contact the
25 Water Department and talk to them about the fact

1 that it's vacant land. It's not developed. There
2 is no concrete, therefore all the rain water goes
3 into the ground.

4 MS. CRUEL: Okay.

5 MR. RODRIGUEZ: Storm water management.
6 If it's developed and it goes into the sewer
7 system. So you need to explain that to them and
8 see if you can get this issue resolved.

9 MS. CRUEL: Can I do that today?

10 MR. RODRIGUEZ: Because it would have
11 been storm water management fees while there was a
12 building on it and that would -- but that would
13 refer to the City.

14 MS. CUNNINGHAM: Yeah. And the other
15 part of it is it needs to be cleaned. It has to be
16 a clean lot the way -- like I mean what you agreed
17 to begin with.

18 MS. CRUEL: May I ask you a question
19 then? The lot is clean. There's nothing -- I have
20 chairs on the lot. I have two grills. My family
21 have a picnic and a grill out there every week.

15 because this is -- she may not have to pay it to
16 satisfy it. So those may be City liens. The City
17 may be responsible prior to demolition.

18 Just to be really clear, there used to
19 be a building on there and that's where you -- you
20 have to check two things. Were there fees
21 satisfied when there was a building on there. And

14 to wait until October to give an extension or
15 September.

16 MR. JAN: Okay.

17 MR. RODRIGUEZ: Also you're asking us
18 to transfer the agreement to a new entity?

19 MR. JAN: Yeah.

20 MR. RODRIGUEZ: You're party to both
21 entities.

22 MR. JAN: I'm the owner of both
23 entities.

24 MR. RODRIGUEZ: So you're creating a
25 third entity or you're creating a partnership?

1 MR. JAN: So Distinguished Properties
2 is the entity that currently has it. I'm the owner
3 of that and I own a bunch of other properties under
4 Distinguished Properties.

5 MS. CUNNINGHAM: You're creating a
6 single-use entity?

7 MR. JAN: For the land -- to be able to
8 develop the land and a single entity rather than
9 having it exposed to all the other properties.

10 MR. KOONCE: What is the name of the
11 single-purpose entity?

12 MR. JAN: It's the exact address name.
13 It's 1248 South 20th Street. We actually created
14 the entity before we closed. When we went to
15 closing I understood at that time from Erma that
16 oh, well, you can't do it into that other entity.
17 You're going to have to go through the whole
18 process. I said, you know, let's just leave it
19 then. As we move along in developing this when I
20 get closer to it then I'll come back and that's
21 where we're at.

22 MR. KOONCE: Do you have papers with --
23 incorporation papers?

24 MR. JAN: I can get them. I'm the
25 owner. It's on the state Website as well. I mean,

1 I can get it. It was created I think about a week
2 before we closed originally in October.

3 MR. KOONCE: Okay.

4 MR. JAN: I can show you.

5 MR. KOONCE: I'm fine with it as long
6 as there's something that shows me that you were in
7 the ownership of 1248 South 20th street.

8 MR. JAN: Yeah. I can also show you
9 the I.R.S. letter as well. We got the EIN prior to
10 closing and then --

11 MR. RODRIGUEZ: If you can provide
12 that. Does he have to have the deed receipt?

13 MS. MEDLEY: Yeah. I mean -- yeah.
14 He's asking for permission to transfer it from
15 Distinguished Properties to 1248.

16 MR. JAN: Correct. Yeah, with the
17 restrictions attached it.

18 MR. RODRIGUEZ: So you have financing
19 in place to develop?

20 MR. JAN: I have a longstanding --
21 sorry, I'm answering this with a longer answer. I
22 have a longstanding relationship with Bryn Mawr
23 Trust and they have financed every project of mine
24 for 15 years. So from that perspective on a
25 relative scale it's a small project.

1 MR. RODRIGUEZ: Once the deed transfer
2 happens then you'll seek financing for that entity
3 to develop.

4 MR. JAN: We're going to apply for
5 permits. We have the design and everything so
6 we're going to then apply for the permits.

7 MR. RODRIGUEZ: As 1248?

8 MR. JAN: Correct. Yeah.

9 MR. O'DWYER: So contingent upon
10 relevant articles of incorporation to demonstrate
11 your affiliation with the 1248 South 28th Street
12 entity, I move that we allow for the transfer of
13 the property to 1248 South 20th Street with the
14 existing deed restrictions remaining on the
15 property and we also allow for a subordination
16 agreement subsequent to that.

17 MS. CUNNINGHAM: Second.

18 CHAIRWOMAN JARMON: All in favor?

19 (Ayes.)

20 CHAIRWOMAN JARMON: Any opposed?

21 (No response.)

22 CHAIRWOMAN JARMON: Thank you.

23 MR. JAN: Thank you.

24 CHAIRWOMAN JARMON: 986 and 88 North
25 Marshall Street. This is developed.

1 MR. O'DWYER: Does it have a
2 certificate of completion or certificate of
3 occupancy?

4 CHAIRWOMAN JARMON: Yes, I have a
5 certificate of occupancy.

6 MR. O'DWYER: I move that the agree --

7 MR. KOONCE: The pictures -- this
8 picture is for both properties.

9 CHAIRWOMAN JARMON: They consolidated.
10 So it's just the one.

11 MR. KOONCE: So now it's one property?

12 CHAIRWOMAN JARMON: Yes.

13 MR. KOONCE: Second.

14 CHAIRWOMAN JARMON: All in favor?

15 (Ayes.)

16 CHAIRWOMAN JARMON: Any opposed?

17 (No response.)

18 CHAIRWOMAN JARMON: 2049, 51 and 53
19 East Williams Street. This was transferred or sold
20 to Louis Gonzales. Now the current owner is asking
21 for the restriction to be removed.

22 MS. CUNNINGHAM: Can we get them to
23 move that trailer?

24 CHAIRWOMAN JARMON: Yeah. I told them
25 this morning they needed move that trailer and

1 clean -- I told them this morning.

2 MS. CUNNINGHAM: Move contingent
3 upon --

4 MR. RODRIGUEZ: Are taxes up to date?

5 MS. CUNNINGHAM: I don't know. And
6 clarification of taxes.

7 MR. O'DWYER: Second.

8 CHAIRWOMAN JARMON: All in favor?

9 (Ayes.)

10 CHAIRWOMAN JARMON: Any opposed?

11 (No response.)

12 CHAIRWOMAN JARMON: I would like to add
13 last month's May 8th agenda to the --

14 MR. O'DWYER: I move that we add last
15 month's minutes to the meeting.

16 MS. CUNNINGHAM: Second.

17 MS. MEDLEY: One clarification for the
18 record that with regard to the lien -- with regard
19 to the property that the Committee was approving
20 that property to be sold despite the fact that the
21 conditions in the deed required five years that
22 because of the circumstances that the owner had
23 been in the property for 20 years and that it was
24 held up, the transfer was held up due to no fault
25 of the owner that the Committee was not requiring

June 12, 2018

Page 98

1 that they comply with I think it's section D or E
2 of the condition of the deed.

3 CHAIRWOMAN JARMON: Yes. Do we need
4 revote it?

5 MS. MEDLEY: No, just the agreement.

6 CHAIRWOMAN JARMON: Thank you.

7 MS. MEDLEY: General consensus because
8 it's just a new --

9 CHAIRWOMAN JARMON: Is anyone else here
10 for --

11 MR. MILLAN: 1434, 1436 North Courtney
12 Street and then 619 Dudley Street.

13 CHAIRWOMAN JARMON: That was approved.

14 MR. MILLAN: What about 619 Dudley
15 Street?

16 CHAIRWOMAN JARMON: You need to clean
17 that lot off. You have to get a picture showing
18 that it's clean.

19 MR. MILLAN: Can we talk about that?

20 CHAIRWOMAN JARMON: No. I just need
21 you to send me a picture that the lot is clean.

22 MR. MILLAN: So we have a court order
23 for the sale --

24 MS. CUNNINGHAM: It was last month's
25 agenda. Contingent upon cleaning. We need a

1 picture of a clean lot.

2 CHAIRWOMAN JARMON: They were saying
3 they didn't want to clean it until they purchased
4 it and I told them they needed to clean it.

5 Is that what it was?

6 MR. CUTLER: We're not allowed on the
7 property. We have a court order. We can't clean
8 it until after settlement. If we could get a
9 contingency.

10 MS. CUNNINGHAM: You have a court order
11 that says you're not allowed to clean it?

12 MR. MILLAN: We don't own it yet.

13 CHAIRWOMAN JARMON: They don't own it.
14 So you don't have access to clean it. But what
15 about the person who owns it?

16 MR. MILLAN: They're not willing to
17 cooperate.

18 CHAIRWOMAN JARMON: They don't want to
19 clean it.

20 MS. CUNNINGHAM: You got it through an
21 action? You got it through a court action?

22 MR. MILLAN: We have a court order to
23 enforce a sale.

24 MR. RODRIGUEZ: Time out. Can you go
25 to the podium and introduce yourselves?

1 MS. CUNNINGHAM: Are you saying that
2 you're the right person?

3 MR. MILLAN: My name is Jose Millan and
4 we're the purchaser of the property, 619 Dudley
5 Street.

6 MR. CUTLER: It was actually for June
7 12th. We just need a picture of the --

8 MR. MILLAN: So the junk that's on the
9 lot, the gentleman who owns it, he wants some of it
10 so he will be cleaning it. Some of the stuff he
11 won't clean. Not allowed on the lot. It's
12 trespassing until we own it. So is it possible to
13 get a release contingent upon it being clean?

14 Because unless we go to settlement, we clean it --

15 MR. RODRIGUEZ: Just for clarification,
16 sir. You have to get a court order for this person
17 to enforce the sale, meaning that this person did
18 not want to sell to you, correct?

19 MR. CUTLER: We had an agreement of
20 sale, correct.

21 MR. RODRIGUEZ: And he did not want to
22 go to settlement on the agreement of sale?

23 MR. CUTLER: Correct.

24 MR. RODRIGUEZ: And this person who did
25 not want to complete the agreement of sale is the

1 person who originally held the property that was
2 conveyed?

3 MR. CUTLER: Yes, sir.

4 MR. RODRIGUEZ: Correct. Okay. So you
5 have a court order which told you you could not --
6 which is going to compel them to sell?

7 MR. CUTLER: Correct. He has to sign
8 the deed over but the judge didn't want to get
9 involved in giving -- he couldn't force -- he
10 couldn't take away the trespassing. He's not
11 cooperating.

12 MR. RODRIGUEZ: When is the new
13 settlement?

14 MR. CUTLER: Within 75 days. So it
15 should be July 30th.

16 MR. RODRIGUEZ: So July 30th is when
17 you will be in settlement?

18 MR. CUTLER: Before July 30th we have
19 to close.

20 MR. RODRIGUEZ: So you would not be
21 able to comply with the Committee's recommendation
22 from last month until that time?

23 MR. CUTLER: We would need maybe a
24 couple weeks after settlement, yes. As soon as we
25 own it we will do it.

1 CHAIRWOMAN JARMON: A couple weeks
2 after he would be able to clean it by.

3 MS. MEDLEY: Basically some type of
4 rush. So then why can't you just come back once
5 you actually own the property and ask for the
6 release?

7 MR. CUTLER: Can't get -- the financing
8 doesn't work that way because technically you guys
9 could change your mind.

10 MR. O'DWYER: We have already granted
11 the release. All you have to do is once you take
12 ownership you send photographs that you cleaned it
13 and it will be processed. There's no unchanging
14 our mind.

15 MR. CUTLER: You have already granted
16 the release? Is that in minutes or anything?

17 MS. CUNNINGHAM: That was last month.
18 It was contingent upon cleaning the lot.

19 MS. MEDLEY: To answer your question,
20 yes.

21 MR. CUTLER: If we could get minutes on
22 that, it's not a problem.

23 MR. RODRIGUEZ: It's online.

24 MS. CUNNINGHAM: Not yet.

25 MS. MEDLEY: To be clear, the Committee

Vacant Property Review Committee
June 12, 2018

Page 103

1 believes that they did grant the release last
2 month. If that is the case then you can just
3 access the minutes on the Website. If it wasn't
4 granted last month, then just wait until you have
5 taken title to the property and then come back and
6 ask for the relief with the lot being clean.

7 MR. CUTLER: Is it definitely in?

8 MR. RODRIGUEZ: Yeah.

9 MR. CUTLER: All right. So we can find
10 something in writing saying as long as -- it's
11 either been released or will be released. Either
12 contingent upon or it has been.

13 CHAIRWOMAN JARMON: Yeah.

14 MS. MEDLEY: As long as it's clean
15 there's no reason not to give it to you.

16 CHAIRWOMAN JARMON: Meeting is
17 adjourned.
